

The pitter patter of tiny feet
leave behind something dear and sweet,
A precious treasure for you to keep,
these memories of my tiny feet.
The years fly past and I'll grow fast
but my love for you will always last.

Happy Mothers Day

IF MUMMYS WERE FLOWERS, I'D PICK YOU
HAPPY MOTHERS DAY

Mummy

I love you,
from the bottom of my heart
to the tips of my toes.

Mummy

You make my heart flutter.
